For: Carbohydrate-Binding Modules of a New Family

REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This application was filed on April 19, 2006 as a national phase application of PCT/DK2004/000734. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of Danish Application No. PA 2003 01607 filed on October, 30, 2003 and U.S. provisional application no. 60/515,927 filed on October 30, 2003.

However, the filing receipt mailed July 31, 2008 lists the U.S. provisional application in the section on foreign applications.

Applicants therefore request the issuance of a corrected filing receipt in which the US provisional is listed in the domestic priority data section.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: August 6, 2008

/Elias Lambiris, Reg. # 33728/
